

Empower people worldwide to achieve meaningful change in life and education by bridging the gap between science and practice.

ThinkMasters

Olive Branch Special: FREE to the first 4 students (2 pairs). Upon successful graduation from ThinkMasters, Tikvah Center will DONATE \$200 to OBCS to further their STEM efforts. Classes are delivered afterschool and on-campus.

Purpose: Teach students a Talk Aloud Problem Solving (TAPS) approach, while working through games and logic puzzles to sharpen students critical thinking skills for Science, Technology, Engineering, and Math. Empower students to demonstrate persistence, be an active and encouraging peer-partner, practice critical thinking skills, and improve performance in solving problems.

ThinkMasters students work in pairs. Each pair will practice problem-solving skills as they advance through a series of sequenced activities. The ThinkMasters program is 8 to 12 weeks long. Sessions are 1 to 1.5 hour in length and scheduled to accommodate the pair's and staff's availability.

Sign-up now. Limited Availability! Each student should sign up with another same grade level student. If you have only one student, please contact us; we will try and match your student to a peer who might not have paired up yet, if possible.

Contact Lilly for more information at Lillyf@tikvahcenter.com or (626) 757-4940. To sign-up, email the completed form on the reverse side of this flyer to Lilly or submit it to the front office.

Sample Schedule for the ThinkMasters Program

Week One

Sat	Mon	Tues	Wed	Fri	Mon	Tues	Wed	Fri	Sat
May 4	May 6	May 7	May 8	May 10	May 13	May 14	May 15	May 17	May 18

Week Four

ThinkMasters Sign Up Form

We are currently accepting students in 3rd to 9th grade for ThinkMasters.

To sign-up, email the completed form to Lillyf@tikvahcenter.com or submit it to the front office. Once a pair is accepted and a schedule planned, payment is accepted via credit card, check, or PayPal. If you only have one student, we will try and match you to another student, if available. Location of sessions TBD and conveniently located for students.
